

WHO WE ARE

ABOUT US

HPL Game Design, established as a studio in 2015 and as a corporation in 2021. HPL Game Design offers exceptional services to meet all clients needs. Our team specializes in 2D/3D design and animation, video game development, and social media content and playable ads creation, ensuring partners receive top-notch results without any unnecessary complications.

Expect only effectiveness and creativity from us.

WHY US?

At HPL Game Design, we understand the importance of time and strive to deliver high-quality design efficiently. We believe that our clients deserve the best value for their investment and always aim to exceed expectations.

As a Philippines-based studio, we leverage our time difference by working while you rest ensuring that you have access to the project updates first thing in the morning. Our creative teams works in both day and night shifts, ensuring seamless and uninterrupted service.

With round-the-clock availability, we guarantee that no time is ever wasted.

ILLUSTRATION

CONCEPT ART

We can help turn your Ideas into Reality. With years of experience in the graphic design and illustration, and we are passionate about what we do. Let us help you create a unique and effective concept for game design and concept illustrations.

3D ASSET CREATION

MODELING

HPL Game Design offers expert 3D modeling services, ensuring versatility, ease of rendering, and photorealistic accuracy in the representation of your objects. Whether it's a small object or a complex scene, our team is equipped to bring your vision to life.

MODEL

3D ASSET CREATION

RIGGING

HPL Game Design specializes in 3D rigging, a process that creates a digital skeleton for characters to mimic real-world or non-real-world motion. This technique is essential for animating characters and bringing them to life.

MODEL

3D ASSET CREATION

RIGGING

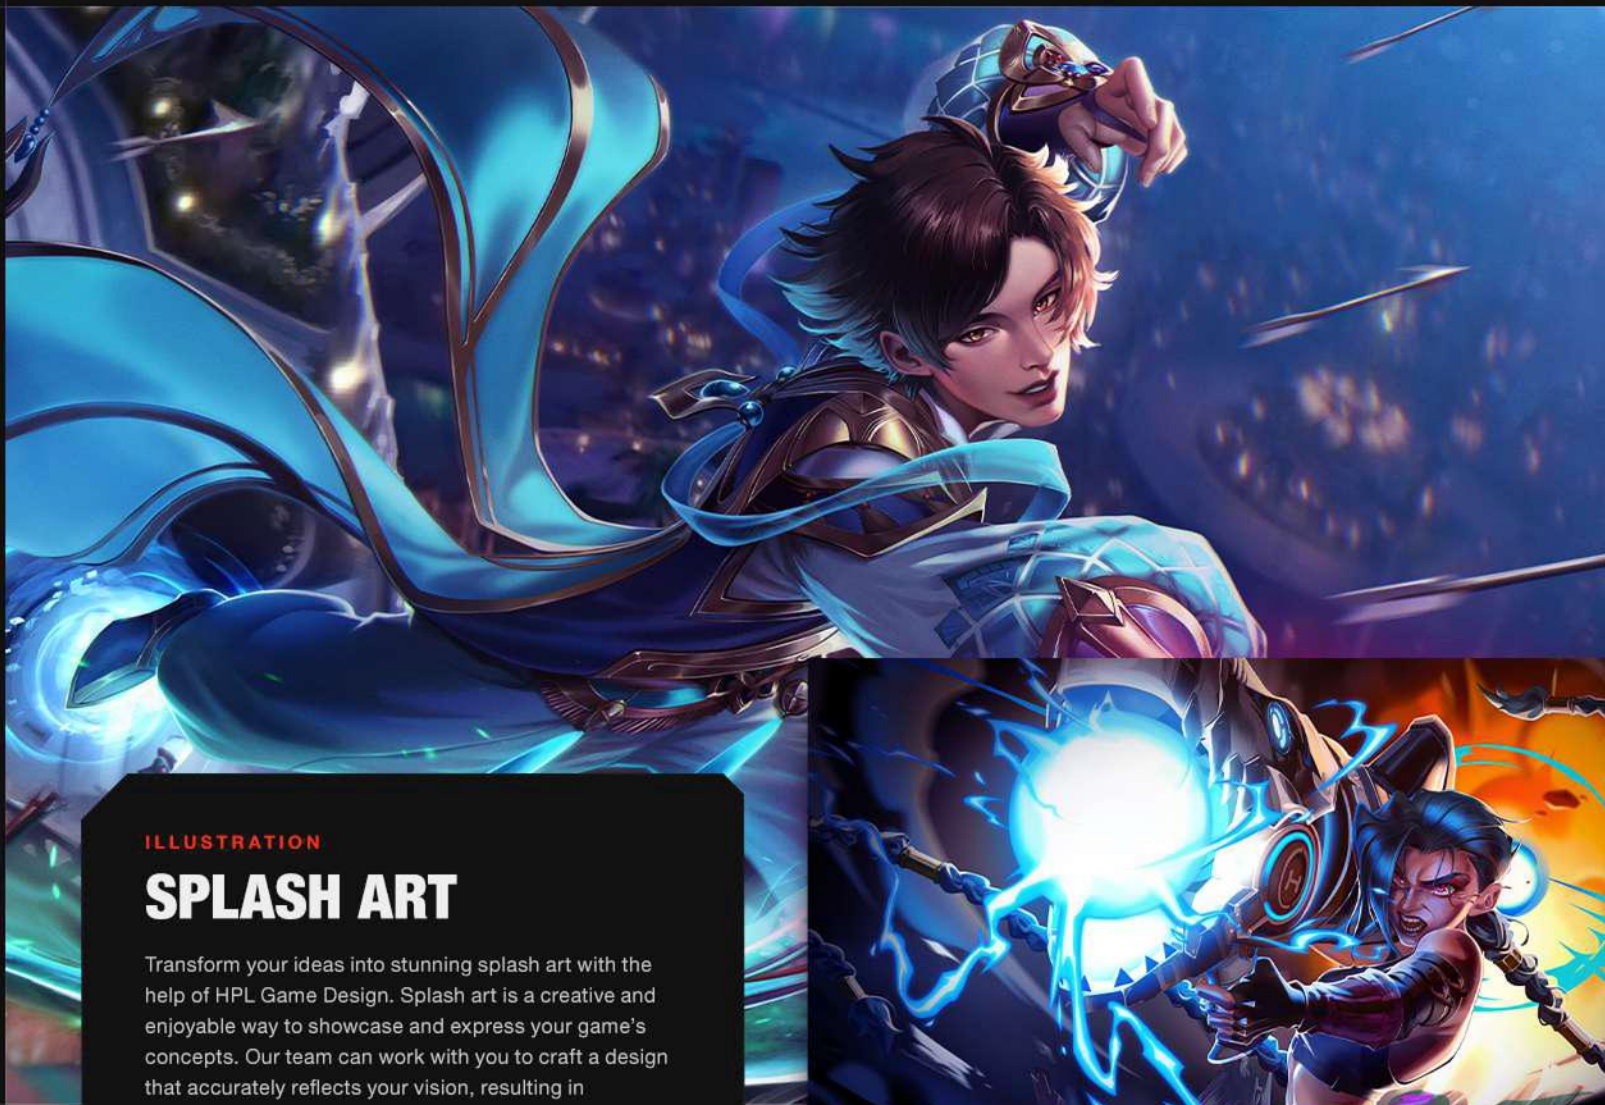

HPL Game Design specializes in 3D rigging, a process that creates a human-like carabao mascot. This technique is essential for animating characters and bringing them to life.

GAME ASSETS & ANIMATIONS

SPLASH ART

ILLUSTRATION

SPLASH ART

Transform your ideas into stunning splash art with the help of HPL Game Design. Splash art is a creative and enjoyable way to showcase and express your game's concepts. Our team can work with you to craft a design that accurately reflects your vision, resulting in AAA-quality splash art.

GAME ASSETS & ANIMATIONS

ENVIRONMENT

BACKGROUND ILLUSTRATION

LOST JEWELS ENVIRONMENT

Bring virtual worlds to life with immersive environment assets. Our expert artists create breathtaking landscapes, buildings, and props that enhance the player experience and bring your game to life.

GET CONSULT

How to Play ArenaMon?

IT'S EASY AS 1, 2, 3...

Our game is 100% automatic and has been designed to bring you the most exciting second playing.

It is divided into 3 rounds. You can win the tournament by winning the final round.

How to Win?

Every 1st of the month, we are organizing a **FREE** automatic tournament that is based on direct elimination. It works like this:

- Day 1: 5,000 monsters vs 5,000 monsters
- Day 2: 2,500 monsters vs 2,500 monsters
- Day 3: 1,250 monsters vs 1,250 monsters
- Day + X: keep playing until we have a winner.

If you get a chance to end up in the top 8 players, you will get a % of the royalties! It's that easy!
